Director – Raymond D'Antoni

Director – Scott Hartinger

Director – Tor Vincent

October 26, 2026

Dear Cove Road Shareholders:

The Eaton's Harbor Corporation has scheduled paving and drainage remediation on the Cove Road curve Wednesday-Thursday, October 28-29. The work is scheduled to begin on Wednesday, October 28, but we are alerting you to the fact that it might not be completed until Thursday, October 29th. The road will be completely closed from 8:00 am- 4:00 pm to accommodate this work. Please plan accordingly. We have alerted the Village of Asharoken, the Eaton's Neck Fire Department, and the garbage and recycling services. Although this work will be an inconvenience, we anticipate the outcome to be a great improvement to the condition of the road.

Please contact Ray D'Antoni at rdantoni529@gmail.com with any questions.

Regards,

Board of Directors

Eaton Harbors Corporation
